

REMARKS

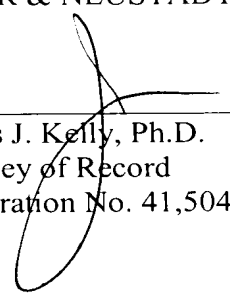

Claims 12-34 remain pending.

Claim 13 has been amended to correct a typographical error. The incorrect variable "X" has been corrected to read --Xa--, in order to correspond to the chemical formula in the claim. No new matter is believed to have been added to the present application by the amendments submitted above.

Since the Amendment merely corrects a typographical error, no additional search and examination is required. Accordingly, entry of the amendment is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
